

SWACHH BHARAT MISSION

With the launching of a national level campaign “Swachh Bharat Mission” across the country from the 25th September 2014, the Extension Training Centre, Nongsder, Meghalaya also took the initiatives to carry out a series of activities. To start with, Smti G.S. Lyndem, Principal, ETC administered the Mission pledge to all the employees and participants of training programmes. This was followed by campus cleaning drives with the participation of one and all.

Capacity Building Programme on Sanitation

Capacity Building Programmes on Sanitation & Rural Development were conducted by the Extension Training Centre, Nongsder in collaborations with the P.H.E. Department, Government of Meghalaya, Nongpoh and Ri Bhoi Area Welfare Association (RAWA), Umsning during 24th to 27th February, 2015 and 3rd to 6th March, 2015 respectively for the Village Employment Council (VEC) members, ASHAs, Anganwadi workers, VHSC, VWSC and CBOs. The main aim of the programme is to orient the participants towards sanitation as a means to development with the objectives to create awareness on sanitation including solid and liquid waste management, importance of personal and community hygiene and safe handling and storage of drinking water etc. Field officers and village/area coordinators have been sensitized and more programmes of this kind are needed in the villages to make the people aware on the importance of sanitation.

SWACHH BHARAT MISSION WEEK

In response to the appeal issued by the Public Health Engineering Department, Meghalaya, Shillong the Extension Training Centre, Nongsder, organized and conducted A Week Long Cleanliness Drive from the 22nd to 26th June, 2015. A cleaning drive has been initiated in the premises of the Extension Training Centre, Nongsder under the guidance and supervision of the Principal with the participation of all faculty and staff. The cleaning of entire office and surroundings were done during the week long programme. In this drive the garbage and waste material were collected and disposed off in a proper way. The faculty and staff members decided to keep their rooms and tables clean and also to organize all files, registers and other official equipments in a proper manner. During this celebration all rooms and toilets inspected by Smti G.S. Lyndem, Principal and gave directions to cleaning staff for proper cleanliness to be made on a daily basis.
